

Live Bird Cams Lab

The purpose of this lab is to observe live feeds of birds in their natural habitats (often on preserves) using **explore.org**. To receive credit for the lab please sign in to the class account and save *at least* three snapshots to the account's gallery(one camera, 3 interesting events, or to the gallery).

Saving a snapshot to the gallery

1) Log in to <https://explore.org>

Class account:

Name: BioClass

Email: homework@scimathinstitute.org

Pass: WillowPtarmigan

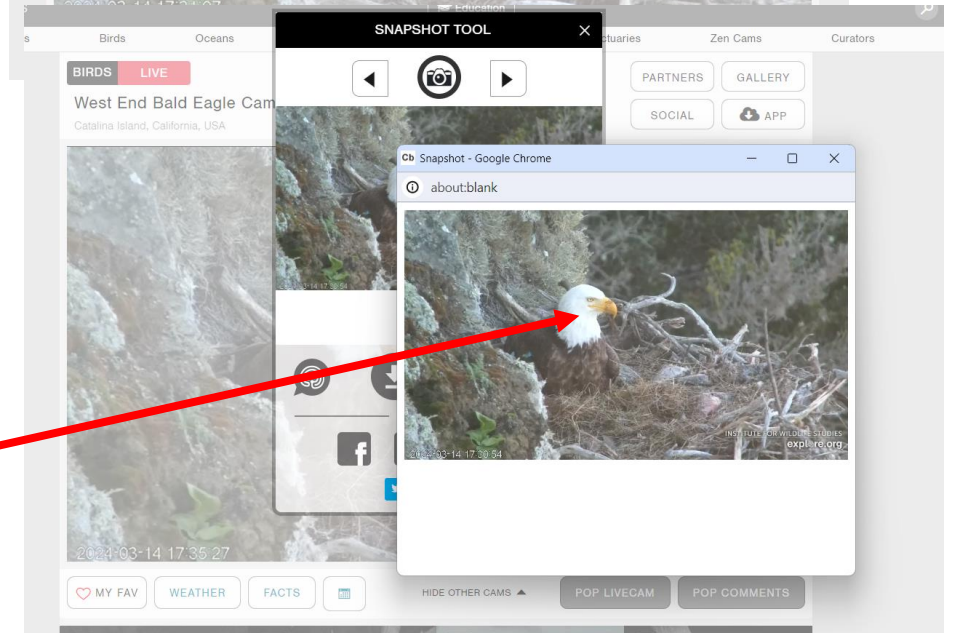

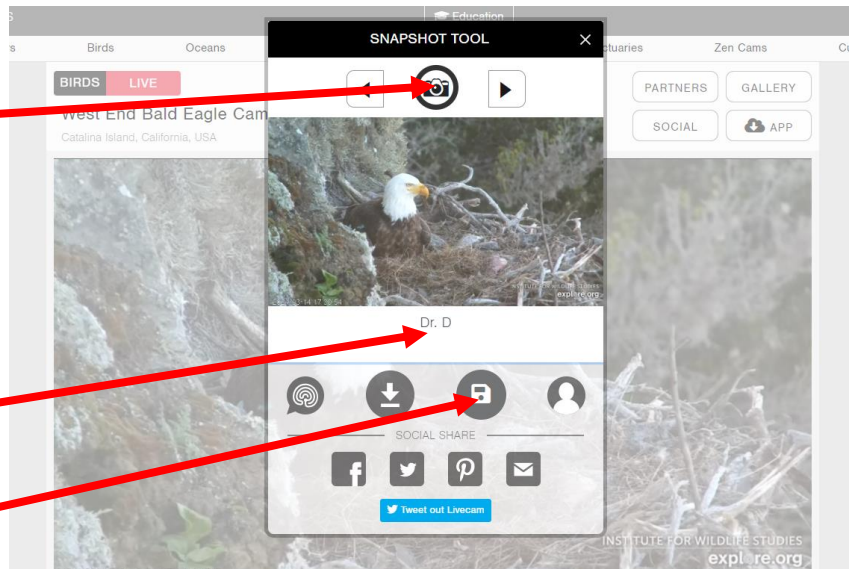

2) Find a web cam →

3) Snap a still

4) Add your name

5) Add to gallery

The displayed snapshot indicates the still has been added to the gallery. It's ok to x out and keep exploring/watching.
